

Dear Families and Friends,

Here we are at the door of the month of May! Opening the door, we'll find days filled with many, many activities and commitments, most of them for family fun. May always seems to be the busiest of all, especially for schools. Be sure to keep your calendars handy so that you won't miss anything.

In the Catholic tradition, May is dedicated to Mary, the Mother of Jesus. Devotion to Mary flows directly from her union with Christ in His work of salvation. Her "fiat" or "yes" to the prompting of the Holy Spirit gives us a model for our relationship with God. We, too, are called to be so tuned into our God through prayer and attentiveness to His Word. He speaks to us in many ways and we need to be ready to respond as Mary did. Her response shows perfect trust in God's plan for her. Surely, she had doubts and questions – "Why me?", "How could this happen?", "Could she accept what people might say?" Her humanity must have entered into her decision as would ours. Her answer came from the deep realization that "the Lord was with her." In the most sacred moment of her life, she drew strength from her belief that with God all things are possible. Following in her footsteps and seeking her intercession, we can respond with trust to anything that God asks of us with the words, "Thy will be done." We, too, can say, "The Lord has done great things for me and Holy is His name." In His last moments on the cross, Jesus spoke the words, "BEHOLD YOUR MOTHER," thus, designating her mother of all." As any mother would, Mary intercedes on our behalf and draws us closer to her son, Jesus.

In Christ,

Carole Anne

May Procession

Tomorrow, May 1, we will have a May procession at 8:15 a.m. in the school's 1st floor hallway. We would like to have some flowers to place in front of Mary's statue. Anyone that has a home garden is welcome to send flowers tomorrow and/or any day in May. Those who are able are welcome to join us for this ceremony.

Tuition

Some of you are behind in your monthly tuition payments. Times are hard for us too. We need to keep up with bills and salaries. Just think, this is the last month for tuition.

Registration Fees

Did you forget that registration fees were due at the time of Registration? Fees have been very slow coming in. Please take care of this so we won't fill up your space for next year.
