Dear Families and Friends,

We bring this school year to an end as we began it. We place ourselves in God's hands trusting he will watch over us during the summer months as he has done throughout our school days. During the past months we have shared many blessings and perhaps a few hardships. We have been joined together as a believing community. Prayer has been the glue that kept us together and brought fruitfulness to all that has been accomplished. It is heartwarming to know that children realize the importance and meaning of prayer. We know this when a child comes and asks for prayer for a sick family member or even a pet. Today a parent told me that her little one comforted her with "Don't worry, Mommy, Daddy will get better, My school will pray for him." As we were leaving church today a child struggles with being still, reminded me to bless myself with holy water. He then said: "You know I did that when I came in and I think it helped me to be good". There are stories like these happening countless times. Our children have given prayer a place in their lives. This is what Catholic schools are about-making Jesus relevant and real. During the summer months ahead, the responsibility lies with you. Your children have had a routine of prayer – how are you going to keep the practice alive?

May all of us help to make our homes places of relaxation, joy, love, peace and safety built on the foundation of prayer. **Happy Summer!!**

In Christ,

F.Y.I. Carole Anne

2008-2009 Registration Fees

We need to remember that Registration Fees are PAST DUE. ***Please take care of this now.*** We need to know numbers of those who are definitely committed to returning to Saint John Catholic. Your Registration Fee is the only way your child is put on the Roster. Some grades are close to being filled. Some of our families are on the waiting list until the Registration fees are in. Don't lose your seat to another family.

Final Music Class

There will be a final Music class (regular class schedule) on tomorrow, May 29th. Students ***MUST*** bring their music folders and CD's with them to turn in to be destroyed. As stated in the beginning of the year letter, students who do not return their folder and CD will be charged \$3.00. These items must be accounted for by me and destroyed by me due to copyright laws. Thank you for allowing me to teach your child this year.

HAVE A GREAT SUMMER!
